FALL TECHNICAL CONFERENCE GOALS & OBJECTIVES

After attending this conference, participants will be able to:

- Understand best practices and techniques for HVAC system inspection, cleaning and restoration.
- Realize professional growth through certification and increased networking opportunities.
- Apply their knowledge in industry related topics such as blueprint reading and bidding on commercial projects, HVAC and IAQ, and hazards in duct cleaning.
- Provide first hand accounts of the new and innovative technology and equipment available in the HVAC cleaning industry.

**NADCA takes this opportunity to thank
the dedicated and committed members of
the 2021 Fall Technical Conference Committee.**
